# BRISTOL 10k

SUNDAY 15 MAY 2011

## Road Closures, Traffic & Travel Information

Race Start: **BRISTOL HARBOURSIDE 9.30am**

For more information log on to:  
[bristolhalfmarathon.com](http://bristolhalfmarathon.com)

# 2011 BRISTOL 10K

The Bristol 10k is set to take place on Sunday 15 May 2011 at 9.30am, from Anchor Road, Harbourside. Most arrangements will be similar to those put in place for the annual Bristol Half Marathon but will require fewer roads to be closed as the course is much shorter.

The course will take runners along car-free roads, starting from At Bristol, following the harbourside then along the Avon Gorge and Cumberland Road returning to At Bristol via Prince Street Bridge.

## Road closures

For health and safety reasons, vehicular access will not be possible during the period of the road closures. There will be a rolling programme of road closures starting from Anchor Road at 3.00am on Sunday 15 May.

All roads should be reopened by 3pm with many opening well before that time - once runners complete each section of the course and litter and race equipment has been cleared from the route. Please see the map below for details of the route, road closures and travel information.

For traffic queries, additional information about road closures and alternative routes, please ring the Traffic Hotline between 9am and 5pm Monday to Friday. The Traffic Hotline will also be open throughout the weekend of the race.

**Traffic hotline telephone: 0117 903 1212**
